- ❖ All plays published by SymbolArt Publishing are protected by Federal Copyright Law. Any unauthorized performance or use of these plays constitutes an infringement of the copyright and a violation of Federal Law.

No play published by SymbolArt Publishing may be produced unless SymbolArt Publishing has received your written application and provided you with written authorization. The royalty amounts listed at <http://www.symbolart.com> or in printed form do not constitute authorization.

All performance rights are granted by written contract only. "Verbal approval" does not exist.
- ❖ Royalty fees must be paid at least two weeks prior to the first performance date. You do not have authorization to perform until payment is received by SymbolArt Publishing.
- ❖ To apply for performance rights please send this form, or the required information indicated, via mail, FAX, or Email.
- ❖ The following conditions are required once authorization has been granted: 1) the title of the play may not be altered, 2) you may not make any deletion, alterations or changes of any kind to the text, title, or characters, 3) proper authorship as prescribed in the script must be given in all programs and advertisements, 4) the title page in all programs must include the following: "Produced by special arrangement with SymbolArt Publishing." and 5) any other special arrangements included in your authorization or contract.
- ❖ Please contact SymbolArt Publishing well in advance (preferably three to four months prior to your planned production dates) to confirm the play's availability. Do not make production plans before making sure that rights are available to you.
- ❖ Royalties may be paid by check, money order, purchase order or credit card. Authorization on payments made by check will be delayed until the check has been cleared.
- ❖ **\* If you intend to pay with a credit card, instructions for that method of payment will be provided to you once your application has been received.**
